Guidelines for water allocation of Inter-State River

4260. MISS SAROJ KHAPARDE: Will the Minister of WATER RESOURCES be pleased to state:

(a) whether Government have prepared draft national policy guidelines for water allocation of inter-State rivers among the States; and

(b) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRI P. V. RANGAYYA NAIDU): (a)' Yes, Sir.

(b) Main features of the guidelines are: The river basins will. be reckoned as a unit for inter-State water allocation.

All co-basin States and the Centra would be parties to the process of allocation.

Allocation of consider the reasonable possibility of utilisation.

Allocation to be based on the principle of equitable apportionment.

States will be free to utilise their share in any way without conflicting with the overriding national interest.

Inter-State agreements between all the co-basin States are normally to bo accommodated.

Existing pre-plan uses and approved plan uses are to be protected.

Allocation to consider needs for environmental management, navigation in National waterways and pressing needs of non-co-basin state etc. as National interests.

Setting up monitoring and implementing mechanism to oversee allocations as made.

Water allocation normally to be reviewed after 40 years.
